No.C1-2749/44. Office of the Director of Food Supplies in Mysore, Bangalore. 2nd December.1944.

To

The Secretary to Government,
Development Department (Supplies),
BANGALORE.

Sir,

Subject:- Staff for commandeering fuel.

I have the honour to state that the Special Officer, Fuel Supplies, Bangalore City reports that notices prohibiting disposal have been issued in respect of 125 casurina plantations in the Yelahanka, Hesaraghatta, Whitefield and other areas, and that supplies from about ten plantations are expected to commence immediately. He states that the staff at his disposal is absolutely inadequate to attend to the work in this connection. In the circumstances explained by the Special Officer, I request that sanction of Government may be kindly obtained to the following proposals for a period of three months:.

1. Appointment of two Fuel Inspectors on Rs.80/- plus C.A. Rs.20/- each per mensem.

Six Assistant Fuel Inspectors on Rs.50/- plus C.A. Rs.10/- each, at a total cost of Rs.620/- per mensem.

2. To place at the disposal of the Special Officer, Fuel Supplies, the services of Mr. Syed Mahomed, now working as Transport Forester and who is understood to have been promoted as Ranger.

In view of the extreme urgency, I have permitted the Special Officer, Fuel Supplies to appoint the marginally noted staff immediately in anticipation of sanction of Government. I request that the action taken by me in this behalf may be kindly approved by Government.

Letter No.SFO.Estt.86/44-45 dated 30th November 1944, from the Special Officer, Fuel Supplies, Bangalore, to the Additional Director of Food Supplies in Mysore, Bangalore.

Subject:- Staff for commandeering fuel.

I have the honour to state that notices prohibiting disposal have been issued in respectof 125 casurina plantations, in the Yelahanka, Hesaraghatta, Whitefield and other areas. Supplies from about 10 plantations are expected to commence from the 2nd Dece ber mainly from the Yelahanka and White field areas. The staff at my disposal is absolutely inadequate especially as I have been managing with what can only be termed as a skeleton staff.

I request that immediate sanction may kindly be accorded to entertain 2 fuel inspectons on Rs.80 plus 20 and 6 assistant fuel inspectors on Rs.50 plus 10 with 4 peons on Rs.15 each per month. The two fuel inspectors will be employed immediately and the Assistant Fuel Inspectors gradually according to my actual needs.

In addition I request that the Chief Conservator of Forests may be requested to place at my disposal the services of Mr.Syed Mohomed now working as Transport Forester who I understand has been promoted as Ranger. His services are required by me to assess plantations and to supervise felling and clearing, as plantations which may be due to owners being unwilling to make supplies will have to be commandeered.

I request the favour of very early orders in the matter. I may also be permitted to entertain 2 fuel inspectors and 3 Assistant Fuel Inspectors and 4 peons in anticipation of sanction.
